

# Sosul 2000

## MULTI-FUNCTION VERSATILITY

Due to its incredible sturdiness, Sosul 2000 offers complete therapist ease and access during even the most intense massage treatment. This facial/massage table truly delivers maximum client comfort with its unique four-section couch. Ideal for facials, waxing, body treatments, and specifically massage.

Available with your choice of: electric height control by means of a 24v actuator with foot pedal or hydraulic lift adjustment.

#915-192
